Abstract (en)
[origin: EP2522590A1] The container (2) has a side wall (4) with an apron (7) at its top, the upper region of the apron being covered by an outer rim (8) of the lid (1) when closed. A tamper-evident closure in the form of a tab (9) is arranged on the apron, protruding slightly beyond its outer rim. An optical indicator (14) for marking the tamper-evident closure is provided either by a partial dyeing of the tab or by a portion of the label, e.g. bearing the word 'OPEN', that it is visible through the transparent tamper-evident tab.
