Abstract (en)
[origin: EP2526823A1] The element (1) has a pull-out frame (7) comprising front and rear supporting profiles that are connected with one another over upper and lower transverse profiles (14, 15). Fixed parts (18, 19) of upper and lower linear guides (8, 9) are arranged such that the frame is arranged perpendicular to a cabinet base (2). Shelves (10) are arranged at the frame, and the fixed parts of the guides are fastened to one of side walls over upper and lower distance brackets, respectively. The shelves are projected over the frame, where the lower guide is designed as a telescopic linear guide.
