Abstract (en)

[origin: WO2011101434A1] The present invention relates to the use of a solid or liquid kelp preparation, especially of Kelpak® (from Compo, Germany) for promoting the growth of seafood, in particular of crustaceans and especially of shrimps and prawns, and to a method for promoting the growth of seafood, which method comprises treating the seafood's habitat with a solid or liquid kelp preparation. Moreover, the invention relates to the use of a solid or liquid kelp preparation for quantitatively and/or qualitatively enhancing the growth of algae and to a method for quantitatively and/or qualitatively enhancing the growth of algae, which method comprises treating the algae and/or their habitat with a solid or liquid kelp preparation.
