Abstract (en)
[origin: WO2011113484A1] Process for mass-production of decorated pancakes, crepes, etc., and composite product derived there from. The invention relates to a process for preparing a food product in the form of a sheet, having a selected shape and/or incorporating decorative designs/ images, comprising pouring liquid batter on a heated surface, in which process batter is first provided on the heated surface to build one or more batter lines defining at least one outer outline of the sheet shaped food product and in that the surface within said contour batter outline is subsequently filled up with batter to form the main surface of the sheet shaped food product.
