Abstract (en)  
[origin: WO2011120917A1] The invention relates to a value document, which consists of a support sheet (1), at least one face (10) of which comprises, over at least part of its surface, a transparent or translucent protective layer (2), called "first layer", of matt visual appearance, this layer being partially covered with a second protective layer (3) also transparent or translucent, but of glossy visual appearance.
