Abstract (en)
A tool stand includes a cabinet (10), two posts (20), at least one tray (30) and at least two collars (40). The posts are supported on the cabinet. The tray includes a wall (31) extending thereon and two arched slots defined therein. Each of the collars is movably supported on a related one of the posts and formed with a pin (40) inserted in a related one of the arched slots so that the tray can be pivoted between a horizontal position and a tilted position.
