Abstract (en)

[origin: EP2594344A1] The side wall seal has frustum-shaped wall (1) made of polyurethane material. A seal dividing section (2) is provided at an external end of the wall. An annular flange (3) is provided in opposite end of the wall. The annular flange is provided with a ring (5) made of polyurethane elastic material. The hardness of the polyurethane material of the ring is greater than the hardness of the polyurethane material of the frustum-shaped wall.
