Abstract (en)

[origin: WO2012092598A2] Printed instructions (4000) can be included with the tray (100) in a medical procedure kit. The printed instructions (4000) can include instructional material (4202), such as pictorial, step- by-step instructions for using the medical procedure kit. The printed instructions (4000) can be configured as a booklet. The printed instructions (4000) can be adhesively attached to outer packaging (4201), and can include a peelable label (4402) that is separable from the printed instructions (4000) and is configured for attachment to medical records. Colorization of the various components can assist in ensuring safe usage of the medical procedure kit.
