Abstract (en)

[origin: WO2012129045A1] A multi-layer polymeric film having an "A" layer and a "B" layer. The "A" layer includes a first polymer and a first inclusion substantially disposed therein. The first inclusion is a first material that has a higher elastic modulus than the first polymer. The "B" layer includes a second polymer and a second inclusion substantially disposed therein. The second inclusion is a second material that has a higher elastic modulus than the second polymer. Methods of forming a multi-layer film are also provided.
