Abstract (en)
[origin: EP2700342A1] The shower tray panel (100) has a shower gutter unit (600) with an integrated shower gutter (400) and a shower base plate major portion (500). The shower gutter unit and the shower tray plate major portion are connected to each other by a connecting element (300). The main portion is provided with two height-adjustable screw threaded feet (200a). The shower tray plate major portion is provided with a first variable width (BDBP-HT). The shower gutter unit is provided with a second constant width (BDR-T). An independent claim is included for method for setting a shower tray plate.
