Abstract (en)
[origin: EP2709088A2] The luminaire (1) comprises a transparent light guide and distribution plate (2) whose light entry edge (3) is associated with the LEDs (4). The lateral light exit surface (5) of the light guide and distribution plate is associated with the icon (6). A patterned adhesive layer (7) is formed between the icon and the light exit surface, such that the adhesive layer faces the back side (8) of the icon. The adhesive layer is applied through stencil printing, screen printing, inkjet printing, or punching printing.
