Abstract (en)

[origin: WO2012163455A1] The invention relates to a package for packs of cigarettes, comprising a group of cigarette packages (11), wherein the group is surrounded by a wrapper (17, 18), and wherein the cigarette packages (11) each have a health warning (12), and comprising a printed item (13), in particular a coupon, consisting of a separate piece cut of preferably thin packaging material, which is arranged between the cigarette packages (11) and the wrapper (17, 18). The invention is characterized in that the wrapper (18) is made of a packaging material that is at least partially transparent, and that the printed item (13) is positioned in such a way that the health warnings (12) on the packages are not covered.
