Abstract (en)

[origin: EP2752138A1] The laundry piece (1) is designed as a reversible laundry piece with basic fabric components, and as a multi-reversible laundry piece with basic fabric components made of a plain weave, a twill weave or a satin weave. The basic fabric components are printed on both sides with pigment coloring substance or caledon coloring substance. The double side printed basic fabric components are provided with a barrier layer from one of the sides to the other sides of the basic fabric components for preventing transparency of the pigment coloring substance or caledon coloring substance.
