Abstract (en)

Magnetic gripper (1) comprising: - two or several bistable magnets (13) which can be switched between an on mode, in which the bistable magnet (13) concerned can exert a magnetic gripping force on magnetic material (2) to be picked up, and an off mode, in which the bistable magnet (13) concerned cannot exert any magnetic gripping force on magnetic material (2) to be picked up; - a control unit (25) for generating electrical pulses to control the bistable magnets (13); - an electric battery (26) as an autonomous source of energy for generating the electrical pulses.
