Abstract (en)  
[origin: EP2833090A2] The present invention relates to a refrigerator with a drawer. The refrigerator includes a storage compartment and a drawer (1) provided in the storage compartment, the drawer includes a front wall (5) and a decorative strip (7) connected to the front wall, and the decorative strip includes a decorative portion (71) provided on a front side of the front wall. According to the present invention, the decorative strip further includes a grip portion (72) extending into the drawer and provided on a back side of the front wall, and the thickness of at least one part of the grip portion is greater than the thickness of the decorative portion.
