Abstract (en)

[origin: WO2014076013A1] The present invention relates to a method for disinfecting a volume or a volume of space by means of a biocide containing hydrogen peroxide or peroxone and a disinfection device with a biocide containing hydrogen peroxide or peroxone. The present invention also relates to a device for disinfecting a volume with a biocide based on hydrogen peroxide or peroxone. The present invention can be applied, particularly in the medical field, in the field of scientific research and more generally in all spaces requiring disinfection / decontamination.
