Abstract (en)

A mobile concrete mixing plant (10) comprises at least a first operating portion (12), a second support portion (13) and a third command portion (14), reciprocally connected in an articulated manner. The first operating portion (12) and the third command portion (14) are both connected to the second support portion (13) in a rotatable manner respectively around a first hinging axis (X1) and a second hinging axis (X2), said second hinging axis (X2) being orthogonal to the first hinging axis (X1).
