Abstract (en)
[origin: WO2014118203A1] A display rack (1) for products (P), such as baked goods for example, has at least one removal chamber (4), which is arranged next to the presentation chamber (2), for the products (P), so that the products (P) can be clearly seen in the presentation chamber (2) from a removal chamber (4) which is situated in front of said presentation chamber through a transparent front pane (11) without impairment. The main purpose of the display rack (1) can be further improved by various details.
