Abstract (en)
[origin: US2016289872A1] Knitted fabric and method of forming knitted fabric. Knitted fabric includes warp threads that run in a longitudinal direction and that are connected to one another by a stitch formation, and at least three sections arranged consecutively in the longitudinal direction. The at least three sections may include at least one section formed as a spacer fabric, one section formed as a single-ply fabric and one section formed as a tubular fabric.
