Abstract (en)
[origin: WO2015089576A1] A fashion accessory which includes a housing (1) and an insert. The housing (1) includes a first opening (3) through which the insert is visible when in a seated position in the housing (1), and a second opening (4) through which the insert may be removably installed into the seated position. The fashion accessory (1) allows persons to have options in the appearance of their jewellery or other fashion accessories, allowing the inclusion of logos or other ornamental components to be inserted in the housing (1).
