Abstract (en)
A wall with at least two building components, each comprising the following: a first pair of parallel panels (P1, P2) at a first distance (d1) from each other; a second pair of parallel panels (P3, P4), placed at a second distance (d2) from each other; the panels of the first pair being perpendicular to the panels of the second pair, and the panels being interconnected by means of connecting elements and positioned with respect to each other such that two panels (P3, P4) of the second pair protrude beyond the panels of the first pair, the two building components being placed against each other, and interconnected by means of fasteners (31, 32) through the connecting elements and through the projecting portions.
