Abstract (en)
This application refers to a notebook comprising sheets from which an ink marking can be easily erased, and its use. The notebook comprises at least two sheets of matte coated cardstock with a grammage range of 300 gr. to 500 gr., either printed or not, with front and back gloss plasticizing. The process of plasticizing uses a temperature range of 95 to 120°C. From a practical point of view, the notebook now released may be used as a notepad, booklet or small agenda with blank, lined, checkered sheets, music staves, sports fields' drawings, such as football, basketball or any other sport activity or even tailored to each customer's needs.
