Abstract (en)  
[origin: WO2015135602A1] The invention relates to a display for flat advertising mediums (4), which are suitable, which are suitable for example, for cinemas and supermarkets. Said advertising mediums (4) are introduced into a socle (1) which is provided with special openings (2) for the advertising mediums. Said openings are embodied as curved slots. As a result, the advertising medium (4) is also curved thus greatly improving the stability thereof. Said display system allows the inexpensive starting materials, such as cardboard or paper, to be used. The claimed display system is therefor easy to transport and economical to produce.
