Abstract (en)
[origin: WO2016026731A1] The invention relates to a transfer film (1), in particular a hot stamping film, to the use of a transfer film (1), to a film, to a security document (2), and to a method for producing a transfer film (1). According to the invention, the transfer film (1) comprises a transfer layer (20) removably arranged on a carrier layer (10). Furthermore, the transfer layer (20) comprises at least one first color layer (30). The at least one first color layer (30) comprises at least one binder and at least first pigments, the color appearance of which changes in accordance with the angle of observation.
