Abstract (en)
[origin: WO2016059035A1] A display pack (10) for consumer products, especially toothbrushes. A sheet form plastics material support (11) has a lower edge (12) with plural bubble packs (15) for the product arranged lengthways along the edge, and detachably linked to the support part by a first separable link (17). Lengthways adjacent bubble packs are integrally detachably connected to each other by one or more second separable links ((18) wherein lengthways sequential second links are at different distances from the lower edge of the support in a direction transverse to the lower edge of the support.
