Abstract (en)
[origin: WO2016083787A1] A light fixture (100) and lighting module comprising the light fixture (100) are provided. The light fixture (100) comprises a thermally conductive stepped formation comprising a plurality of steps (106) and a plurality of light sources (102), wherein each of the plurality of light sources (102) is mounted to a respective step (106) on the stepped formation. The lighting module may be used on a boat (110).
