Abstract (en)

[origin: WO2016198259A1] The present invention relates to detergents and cleaning agents containing at least one protease and at least one acyl hydrazone compound of the formula (1) which acts as a protease inhibitor and therefore is a suitable enzyme stabilizer, and to the use of said compounds as enzyme stabilizers in protease-containing detergents and cleaning agents. The invention also relates to the corresponding washing and cleaning methods and to the use of the detergents and cleaning agents according to the invention.
