Abstract (en)
The present invention relates to a perming solution absorbing towel that may easily be fastened around the neck to prevent dripping. The perming solution absorbing towel includes a first coupling portion 110 and a second coupling portion 120 configured to fold and fasten together corner portions 101 and 102 of both ends of the perming solution absorbing towel by pulling strings respectively formed on the corner portions 101 and 102.
