Abstract (en)

[origin: WO2017055682A1] The invention relates to a packaging box blank and to the packaging box formed from it. The blank is one-piece, comprising a base surface (1 ), the folding surfaces (2) of the long sides of the box, the vertical surfaces (3) of the short side, a straight crease (22) between the base surface (1 ) and the vertical surface (3). What is essential in the invention is that the packaging blank comprises a crease (17) between the vertical surface (3) of the short side and the stacking plane (4), a flexing slot (23) formed in the vertical surface (3) and also protrusions for the carrying handle (13) functioning as a grip.
