Abstract (en)

A fastener stringer (30) includes: a fastener tape (10); and a plurality of fastener elements (20) attached to a side-edge portion of the fastener tape (10). The fastener element (20) includes: a metal base member (21); a single layered or multi layered surface resin layer (22) formed on the metal base member (21); and one or more intermediate metal layers (23) interposed between the metal base member (21) and the surface resin layer (22). The one or more intermediate metal layers (23) include an exposure metal layer (26) that will be exposed by at least a partial removal of the surface resin layer (22). The surface resin layer (22) and the exposure metal layer (26) are made of material having the same color tone.
