Abstract (en)
[origin: EP3421665A1] The present invention relates to an artificial turf simulating natural grass, comprising: a base fabric (1), artificial grass yarns tufting on the base fabric (1) and an latex backing on the back of the base fabric (1). The artificial grass yarns having at least two different forms including an straight form and a curly form, and the straight artificial grass yarns (2) having at least two different colors. According to the present invention, the artificial grass yarns having at least an straight form and a curly form tuft on a base fabric, the straight artificial grass yarns are provided with at least two different colors, such that the appearance of the formed artificial turf has better natural grass simulation effect, and combination can be made according to specific functional requirements of the application of the artificial turf, thus improving applicability of the artificial turf.
