Abstract (en)
[origin: WO2017220801A1] Method for packing respiring produce (2) and packaged whole-sale container (1). The method comprises the following consecutive steps: • - a batch of the produce is put in a whole-sale container; • - the container is individually wrapped in a water vapor permeable film; • - air content between the film and the container is reduced; • - the film is closed.
