Abstract (en)
[origin: WO2018002356A1] A bracket (1) for attaching a light fitting to a ceiling or wall. The bracket (1) has a main body (2) to be directly applied to the ceiling or wall and to be flush with the ceiling or wall. The main body (2) has a central portion (3) with a central aperture (4) for the passage of the electrical cable (12) coming out from the ceiling or wall. The central aperture (4) being sized so that the electrical cable (12) can easily pass through it.
