Abstract (en)
[origin: WO2018025056A1] A martial art concept playpen arrangement provided with walking surface (2) having material quality being suitable for the children, and with padded columns (3) making up its frame and providing its stability. The net (4) and/or padded stretching rope (7;8) are located between the columns which serve safety and stability purposes, as well. The external look of the playpen is designed based on the form of the usual playing field or ring used in the martial arts.
