Abstract (en)

An electric control assembly (1) for an outdoor unit (100) of an air conditioner, an outdoor unit (100), and an air conditioner are disclosed. The outdoor unit (100) includes a main control board (2) and a filter board (3) arranged side by side in a horizontal direction. The electric control assembly (1) includes: a wire mounting plate sheet metal (11) located below the main control board (2) and the filter board (3) and provided with a power line terminal block (12); and an electric control board (13) disposed on the wire mounting plate sheet metal (11) and provided with a wiring socket (131) and a signal line terminal block (132). The wiring socket (131), the signal line terminal block (132), and the power line terminal block (12) are arranged sequentially in a direction from the main control board (2) to the filter board (3).
