Abstract (en)
A landing structure (6) for an offshore structure (1). The landing structure (6) comprises a pair of parallel columns (10) interconnected by a ladder (11) where the stringers (12) of the ladder (11) extend in parallel with the columns. (10). The columns (10) comprise attachment means for releasable attachment to the offshore structure (1) allowing the landing structure (6) to be retrofitted on the offshore structure (1).
