Abstract (en)

The invention provides for a gas-dynamic yarn texturing expansion chamber, a texturing apparatus equipped with the gas-dynamic yarn texturing expansion chamber, a textured yarn, a method for yarn texturing, an artificial turf, a method and a system of manufacturing of the artificial turf. The gas-dynamic yarn texturing expansion chamber comprises: an inlet for a fluid flow and a yarn flow; at least a section having a sidewall being porous to provide egress of a portion of the fluid flow from the expansion chamber; and a downstream outlet for the yarn flow and another portion of the fluid flow.
