Abstract (en)

[origin: WO2019217474A1] The present application provides compositions comprising one or more glycosylated steviol glycosides (GSGs) and/or one or more steviol glycosides (SGs). In other aspects, the present application provides methods for (1) preparing SG/GSG compositions; (2) enhancing the sweetness of an orally consumable composition; and (3) improving the taste profile or flavor of an orally consumable composition, among other things.
