Abstract (en)

[origin: WO2019220335A1] The present invention relates to compositions comprising extract of *Whitania somnifera* including Withaferin A and/or Withaferin A and to a cinnamon extract and the use thereof for the treatment of obesity, and generally for the loss of fat mass. Also kits of portions comprising a first composition including Withaferin A and a second composition including a cinnamon extract belong to the present invention.
