Abstract (en)
[origin: WO2020048973A1] The invention relates to an outdoor furniture item (1) comprising at least one sitting and/or reclining unit (3), a first shell element (5), and a second shell element (7), wherein the first shell element (5) and/or the second shell element (7) can optionally be converted into a first configuration and into a second configuration with respect to the respective other shell element (7, 5), wherein, in the first configuration, the first shell element (5) and the second shell element (7) are at least partly nested in each other and, in the second configuration, the first shell element (5) and the second shell element (7) together enclose a substantially closed internal space, in which the at least one sitting and/or reclining unit (3) is located.
