Abstract (en)  
A digital display (Z) including a light unit (1), a display unit (2) and a fixing unit (F) is provided. The light unit (1) is connected to the display unit (2), and the display unit (2) and the fixing unit (F) either are a single component or are each an independent component. The digital display (Z) can fix the display unit (2) on an external substrate (S) in an upright manner through the fixing unit (F).
