Abstract (en)  
[origin: WO2020141275A1] The invention relates to a solid cosmetic composition containing anhydrous spheroids dispersed in a solid continuous aqueous phase. The invention also relates to a method for producing a solid cosmetic composition according to the invention, as well as to a method for applying make up to and/or caring for the skin of the body and/or face using a solid cosmetic composition according to the invention. The invention also relates to a stick or a solid gel cast into a container or a pot, and more particularly to a lipstick, a foundation, and a sunscreen stick comprising a cosmetic composition according to the invention.
