Abstract (en)

[origin: WO2020208034A1] Applicator for applying a hair product, and associated application method Applicator for applying a hair product comprising a base 12 and spikes 14 protruding from the base. At least a plurality of spikes 14 each have a surface tension that varies in the direction of its length. A distal application portion 20 of each spike of said plurality of spikes has a surface tension greater than that of a proximal portion 22 of said spike.
