Abstract (en)

[origin: WO2021170578A1] A black oil-based suspension, comprising carbo vegetabilis as a black pigment and further at least one emulsifier and at least one vegetable oil; and method for producing the oil-based suspension comprising dispersing the at least one emulsifier in the at least one vegetable oil to provide a vegetable oil dispersion and adding the carbo vegetabilis pigment to the vegetable oil dispersion and mixing said dispersion. The oil-based suspension may be used as a coloring agent in the manufacture of e.g. food products and pharmaceutical products.
