Abstract (en)

[origin: WO2021160877A1] The present invention relates to a protein ingredient and an oil preparation from the seeds of macauba fruit and to a method for preparing same. The protein preparation has a protein content of more than 15% by weight, preferably more than 30% by weight, and a fat content of less than 60% by weight, preferably less than 25% by weight. The protein ingredient can be produced with light color and good technological properties. It has appealing sensory properties and can therefore be used in a wide range of applications in foodstuff, pet food and also in cosmetics.
