Abstract (en)
Animal bedding, such as for a guinea pig, comprising: a first part (300) comprising: an upper layer (320); and a lower layer (360); and a second part (400) comprising a waterproof layer (410); wherein a first type of attachment (322, 412) is configured to reversibly attach the first part (300) to the second part (400) and detach the first part (300) from the second part (400); and wherein a second type of attachment (372) attaches the upper layer (320) to the lower layer (360), the second type of attachment (372) being of a different type than the first type of attachment (322, 412), wherein the second type of attachment (372) comprises a more permanent type of attachment than the first type of attachment (322, 412).
