Abstract (en)

[origin: WO2022003536A1] Apparatuses, methods, and systems are disclosed for restrictions based on a configured numerology. One method (700) includes receiving (702) information from a network indicating a numerology for transmission, reception, or a combination thereof. The method (700) includes determining (704) a physical downlink control channel monitoring restriction, a downlink control information format configuration restriction, a search space configuration restriction, or some combination thereof based on the numerology.
