Abstract (en)

A light weight plastic liner (10) adapted for receipt over an aerial lift basket (11). The lift basket mounted on a wheeled boom or scissor lift (22). The liner includes a floor cover (24) and four side covers for covering an inside and an outside of four sides of a frame on the lift basket. Also, the liner includes a removable door cover (48) for covering a hinged door (21) on the lift basket. Further, the liner includes a connection arrangement in a bottom seam of the liner for holding the liner in place on the lift basket.
