Abstract (en)
[origin: WO2022074694A1] The present invention is aimed at the sector of containers, and in particular concerns a container of the type for a single-dose product, and disposable, for a product, particularly a cosmetic product, such as a lipstick, a mascara, an eyeshadow, etc. Said container (1) for a single-dose product comprises: - a gripping portion (2); - an applicator (3) that supports said product; - a closing lid (4). Said applicator (3) comprises a shaped rigid surface on which an amount of said product necessary for a single application, adapted to make said container (1) disposable, is deposited.
