Abstract (en)

[origin: WO2022100838A1] A control unit (20) for a construction machine (1), in particular a road construction machine or a road paver, comprises an input device (50) and a status display (44) in the form of one or more luminous elements (44a, 44b, 44c). The luminous elements are integrated in a handle of the control unit.
